Director, Office of Systematic Review

Bureau of Administration
Department of State
Room 1239, New State Building

Dear Dwight:

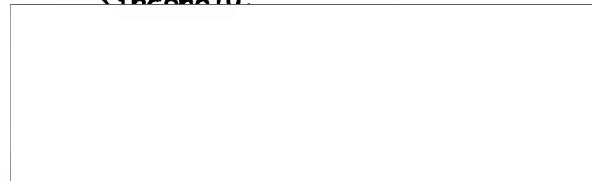

In response to Mr. Bardach's letter of 24 October 1984, we have completed our review of the manuscript for an accelerated volume on Vietnam, 1958-60, in the Foreign Relations of the United States series.

We are returning the manuscript and a listing of our recommended deletions together with the reasons for deletion under Executive Order 12356. The passages or pages to be deleted are bracketed in the manuscript. The substitution of CIA for CAS when Agency involvement is acknowledged is suggested in the interest of consistency.

We note that document Number 18 from Chapter III is missing. We would like to review it prior to release.

This letter provides CIA clearance for this volume contingent upon your assurance that there is no additional material intended for publication in it that is of interest to CIA and not yet reviewed by us.

Sincerely,

Chief, Manuscript and Special Review Branch
Classification Review Division
Office of Information Services
Directorate of Administration
